**TO WHOMSOEVER IT MAY CONCERN**

This is to confirm that Dr. Krunal M. Donda has worked as a Observer in the Department of Orthopedics at the P.D. Hinduja National Hospital & Medical Research Centre from 1<sup>st</sup> April 2019 till 30<sup>th</sup> April 2019.

During his tenure with us, he has shown himself to be a sincere and hard-working person. He has assisted and was directly involved in various surgical procedures including multiple cases of Joint Replacements of the hips and knees, trauma and arthroscopy surgeries.

He has a sound knowledge of Orthopedics and good clinical sense and applies it reliably. He has taken active part in all the Departmental Workshops and Clinical Meetings.

Dr. Donda shows keen interest in learning and I am sure he will be an asset to any institution he joins. I have no hesitation in recommending him for any further training or job he wishes to pursue.

I wish him the very best in all his future endeavors.
